TESTIMONIALS EcoKleen+

"We, Feoso Oil(M) Sdn Bhd, are utilising EcoKleen & Tile Cleaner+ in our factory, concrete floor, tiled floors & toilet areas.

The products perform well, are easy to use and save costs on storage as we don't have to buy so many cleaning products.

We highly recommend EP products"

"We, Inta Bina Bhd, are pleased to recommend EP cleaning products to any potential customers.

Currently we use EcoKleen in all our construction sites before handover.

The product perform well, especially EcoKleen saves us costs buying so many different type of cleaning products."

"A. W Faber-Castell is pleased to recommend your environmentally safe products to potential customers. Your eco friendly products are easy to use, safe for our workers and easily remove all grime & build up from surfaces.

Surfaces remain clean & fresh looking for many months."
